this book will show you how to diagnose problems in your team by focusing on the three outcomes of effective leadership direction alignment and commitment by assessing where your group stands in each of these outcomes you can plan and implement the changes necessary to get better results

today there are a growing number of business schools law schools and continuing education programs in executive development and management training that offer leadership classes despite the growing curricular recognition of this area there is a shortage of strong college level texts leadership second edition a completely up to date anthology of key writings by well known contributors meets this need for a textbook that encompasses the major theories in the field of leadership leadership is divided into six sections part i provides an overview of the subject with readings that examine what leaders actually do as well as the many myths surrounding the notion of leadership part ii focuses on the fundamentals of leadership by taking a close look at the specific tactics people use to get their own way these readings analyze the political games people play and the two way nature of leader subordinate influence part iii considers problems that can arise from leadership gone wrong when power and influence are abused the major formal models of leadership that have been offered over the years are reviewed in part iv the next section looks at contemporary views of leadership emphasizing reliance on maturity of subordinates for success including leadership in the context of self directed work teams entrepreneurial leadership the notion of the leader as servant and examples of leaders who are recognized for having empowered others or for providing moral leadership the final section examines the roles of societal and organizational

cultures as they pertain to leadership robert p vecchio has updated the second edition with six new articles aimed at upper level undergraduate and graduate level courses leadership continues to provide classic essays by the major figures in the field of leadership along with topical essays on current and emerging issues

the second edition of leadership offers a unique highly applied academic treatise on leadership uniquely blending a chronological analysis of the last 100 years of leadership theory with exclusive ceo interviews the case studies expert insights and other teaching aids are timely and hard hitting making this textbook relevant insightful and informative while a research chapter empowers the reader to competently question the leaders that shape our world the world has turned on its political and corporate axis since the first edition of leadership was published and it became necessary to produce a second edition that fully encapsulated respected and observed these changes numerous new case studies discussion starters and examples subsequently reflect today s volatile technological political financial and social shifts while exclusive interviews with successful ceos powerfully blend theory with practice readers will learn the importance of navigating leadership in the most testing of times a new chapter researching leadership offers the reader the opportunity to develop significantly as a leadership researcher and to ably question reality in a post truth world a self leadership chapter equips the reader to develop their own leadership capabilities while retaining the ability to avoid destructive leadership ultimately readers will become empowered to appreciate the complex intersectional nature of leadership and to learn what it takes to lead in today s politically technologically and socially tumultuous world this book will be particularly engaging for students and educators at secondary school college undergraduate and postgraduate level and for leadership management consultants while the book s primary role remains as a core text for leadership management and business modules it will also be of interest to students on many other courses e g psychology politics sociology packed with teaching resources which educators will find particularly useful leadership is the only textbook of its kind to offer such an applied view of this subject via the inclusion of 12 mostly ceo expert insights the first edition was an amazon hot new release so this second edition might also hold interest for a general readership

transformational leadership second edition is intended for both the scholars and

serious students of leadership it is a comprehensive review of theorizing and empirical research that can serve as a reference and starting point for additional research on the theory it can be used as a supplementary textbook in an intense course on leadership or as a primary text in a course or seminar focusing on transformational leadership new in the second edition new updated examples of leadership have been included to help illustrate the concepts as well as show the broad range of transformational leadership in a variety of settings new chapters have been added focusing specifically on the measurement of transformational leadership and transformational leadership and effectiveness the discussion of both predictors and effects of transformational leadership is greatly expanded much more emphasis is given to authentic vs inauthentic transformational leadership suggestions are made for guiding the future of research and applications of transformational leadership a greatly expanded reference list is included

leadership isn't complicated keep it simple and make it count this new edition of steve radcliffe's uniquely powerful successful and practical framework will show you how to develop faster as a more confident and capable leader this compact instantly applicable guide to developing leadership skills contains practical insights straightforward actions and plain guidelines to accelerate your growth as a leader the framework is derived from expert coach steve radcliffe's work with real leaders in real leadership situations it shows you how to be guided by the future you want and stay focused on your vision engage others in productive and stimulating working relationships that make things happen deliver the results you need to really move your business forward

praise for the first edition at last a well written balanced and insightful british book on leadership it is probable that every theory and assertion of consequence is commented upon a real tour de force emeritus professor gerry randell university of bradford school of management theory and practice of leadership is an all encompassing global review of examples and case studies that is both comprehensive and easily adaptable to almost any situation one would encounter in leading people richard j conwell nova southeastern university journal of applied management and entrepreneurship if you are looking for a more holistic and critical take on the field of leadership look no further the second edition of this engaging and highly respected text offers an exploration of leadership in a variety of contexts

both profit orientated and non profit new to this edition refined to capture and delineate the essential theories more clearly with broader coverage taking in the latest developments in areas such as change politics assessment and development of leadership and multiple intelligences further development of a new integrative model of core leadership themes and practices abundant examples and illustrations together with detailed explanations of how they apply in practice a companion website with an instructor s manual powerpoint slides links to additional case studies and full text journal articles theory and practice of leadership will prove a highly stimulating read for undergraduate and postgraduate students of leadership and related subjects as well as management consultants and practising managers

mandate for leadership is a series of books published by the heritage foundation an american conservative think tank based in washington d c they are intended to serve as guidelines for reducing the size and scope of the federal government through specific policy recommendations the books have traditionally been released to coincide with an incoming u s presidential administration starting with the reagan administration in 1981 the latest edition was published in 2005

the source book is a reference volume that provides readers with current information on the latest resources in leadership development the fourth in a series the 1992 1993 edition offers two new sections along with updates to previous editions can serve as a useful adjunct to existing source books or as a valuable reference on its own organized so that information is easily accessible it contains the following sections courses programs leadership technologies a new section on instruments simulations exercises annotated bibliography films videos resource persons in leadership education resource organizations in leadership education index as a tool for creating or implementing development programs the source book is especially valuable to teachers co curricular staff in colleges universities as well as human resource professionals management consultants organization development professionals public service consultants the public service community order from center for creative leadership p o box 26300 greensboro nc 27438 6300 915 545 2805 fax 919 288 3999
